INTRO

Brian joined Geffen Mesher in 2001, and then earned his Master's Degree in Business Administration from the University of Portland in 2002. He has worked extensively over the past several years serving professional service businesses including law firms, architecture and engineering firms, and investment advisory firms. He is also currently Treasurer for The Architecture Foundation of Oregon.

Brian is extremely responsive in working with his clients, whether he's laying out technical planning or overseeing their tax compliance. He is proactive and exceeds clients' expectations with respect to time commitments and delivery of service. Brian will be overseeing your ongoing tax planning and compliance efforts.
