INTRO

As numbers have always made sense to Troy, his becoming an accountant was a natural career choice. He is known for his excellent responsiveness, as well as his aptitude for helping clients understand their complete financial picture.

Troy began his accounting career managing the business entity and high-net-worth individual side of a small CPA firm in Portland, and he joined Geffen Mesher in 2013.

Troy understands the importance of efficiency, both in his client work and his role within the firm. Ever an advocate for improvement projects, he recently earned his Lean Six Sigma Green Belt.
