GEFFEN MESHER NAMED TOP 200 FIRM BY INSIDE PUBLIC ACCOUNTING

Portland, OR: INSIDE Public Accounting (IPA), a lauded national public accounting newsletter, has included Geffen Mesher in its annual ranking of the country's 200 largest public accounting firms.

This is by no means the first time the firm has been recognized by IPA. In each of the last eight years, Geffen Mesher has secured a coveted spot in the newsletter's rankings. Rankings are based not only on firms' annual U.S. net revenues, but also on the results and analysis of a comprehensive annual survey conducted by IPA.

Since 2010, Geffen Mesher has been honored to receive this recognition by such a prominent publication in the public accounting sphere. Topped by the "Big 4" national accounting firms, the IPA Top 200 is the authoritative ranking of national, regional, and local public accounting companies.

This esteemed recognition from the IPA, now nine years in the making, speaks to Geffen Mesher's dedication to providing world-class service with unparalleled attention and care to its clients.
