INTRO

A third-generation accountant, Rob has been passionate about the industry for as long as he can remember. Rob joined Geffen Mesher as a Staff Accountant after obtaining his Post-Baccalaureate Accounting Certificate from Portland State University. Now a Tax Manager at the firm, he has worked hard to cultivate his specialties of corporate & partnership taxation, multi-state tax, and 1031 exchanges, particularly within the Real Estate, Manufacturing & Distribution, and Dealer Services industries. Rob always strives to build robust relationships and establish a dependable framework of trust, which allows his clients to focus on the day-to-day of running their businesses.

Outside the office, Rob loves to travel, play golf, and cheer on his alma mater's sports teams. Go Zags!
