

MITIGATING RISK & CAPITALIZING ON OPPORTUNITIES

For many companies and organizations, state and local taxes are oftentimes the most burdensome. We know that identifying risk and opportunity can be overwhelming, which is why **our State and Local Tax (SALT) team is prepared and experienced to handle tax regulations in every state.** State and local taxes directly impact a company's cash flow, effective tax rate, and its risk profile. Geffen Mesher's SALT team has the technical acumen, industry knowledge, and resources to not only identify your risk areas, but strategize and realize advantageous opportunities throughout the tax lifecycle.
